

### **How to get to the Congress Centre at Maden Tetkik ve Arama Genel M¼d¼rl¼g¼ (MTA)**

MTA is located on the main highway between Ankara and Eskiřehir. It is about 10 kilometres west of Kızılay, the Ankara city centre. The easiest way to reach it is to take a taxi from the city centre, it costs about seven EU. As one drives west, one passes several high rise government buildings, then there is a large shopping mall called ARMADA. MTA campus is located about 500 farther away from ARMADA on the other side of the highway. One can stop opposite MTA and then take the underground passage around the bus stop or the taxi can drive on about one more kilometres to take a U-turn to stop in front of MTA.

In the entrance of MTA, the personnel write down the names of the visitors from their identification papers and probably give visiting cards but you are not obliged to leave your identification documents there.

Hoping to see you on Monday in Ankara
